

## **ENTRY T&C'S**

- 1. Entries for the Mobile News Awards are open to firms and individuals in the UK mobile comms and related industries.**
- 2. The judging period runs from 1 January 2018 to 31 December 2018. Material outside this period will not be considered.**
- 3. Entries must be made via the online submission process on the Mobile News Awards entry portal only.**
- 4. Each category has a specific entry form. This can be found within the online entry portal. Entries will not be accepted by any other means. All questions on the category specific entry form should be answered. Text boxes are expandable. Word count for each text box must not exceed 300 words.**
  - a: Information supplied within the entry form will remain confidential. Mobile News reserve the right to refer to information supplied within the Awards Supplement or any other Awards related literature. Entrants may however mark sensitive parts of their entries "not for publication" provided such restrictions are not used unreasonably.**
  - b: Products and samples can be submitted for the following hardware-related categories: Best Smartphone, Premium Manufacturer, Challenger Manufacturer, Accessory Manufacturer and Innovative Product. RRP's must be provided.**
  - c: When the entrant is submitting work/materials which are not their own/they do not own the rights to, it is the entrant's responsibility to ensure that they have permission from the owner/3rd party to submit the entry and the owner/3rd party's approval of the entry and any respective credits.**
- 5. Mobile News accepts no responsibility for any incorrectly-submitted information.**
- 6. Firms or individuals may enter more than one category as appropriate.**
- 7. The judges reserve the right to re-categorise entries if they think another category would be more suitable. However, they will not routinely re-categorise incorrectly-entered projects.**
- 8. Any information submitted may be subject to verification.**
- 9. The judges' decisions are final.**
- 10. Companies are not allowed to enter any category that they are sponsoring.**
- 11. All entries must be submitted by midnight, 31 January 2019. Entries can be edited at any time until this deadline date.**
- 12. A single entry fee of £234 (£195 plus VAT) is required to cover multiple entries. Entries will be accepted without cleared payment.**
- 13. Once submitted, entries are confirmed and non refundable.**
- 14. Winners will be announced at the Mobile News Awards on 14 March 2019 at The London Hilton on Park Lane.**
- 15. Judges' decisions are final. No correspondence will be entered into.**

## PRIVACY POLICY

Clark White Publications Limited takes your privacy seriously and information will be used in accordance with the Data Protection Act 1998.

### 1. Important Information

- i. Clark White Publications Limited (referred to as "we", "us" or "our" in this policy) takes your privacy seriously and information will be used in accordance with the General Data Protection Regulation (GDPR) (EU) 2016/679 and the Privacy and Electronic Communication Regulations 2003.
- ii. This privacy policy describes how we collect, process and secure your personal data.
- iii. We will occasionally review this policy to ensure it matches any legal requirements and our business operations. Any changes will be posted so that you are always kept informed.

### 2. Data Collection

- i. When you communicate with us in any manner, we may collect, use, record or transfer some or all of the information you provide to us.
- ii. When you subscribe to our magazine or register for one of our awards ceremonies, we will collect the following personal identifiable information about you: First Name, Last Name, Job Title, Company Name, Address, Business Telephone, Mobile, Email, Fax, Industry Sector, Company Activity.
- iii. We may also collect payment details from you if you're choosing to pay by card.
- iv. We also collect information such as: First Name, Last Name, Company Name, Email Address and/or Phone Number for the purposes of maintaining our internally managed contact lists used by the editorial, advertising and awards teams.
- v. We also collect data using cookies, which you can read more about below.

### 3. Use of Personal Information

- i. When you subscribe to the magazine, your data will be used to communicate with you regarding your subscription and to deliver the magazine to you. If you have requested to receive digital copies of either the magazine or our newsletter, your data will be used to populate our MailChimp database so that we can electronically send you the information you have subscribed and consented to receiving. In accordance with GDPR, the legal basis for such data processing is "consent", which was provided during the completion of the subscription form.
- ii. If you communicate with us in another format, such as registering for one of our award ceremonies, contacting editorial with potential leads/stories or advertising with us, your data will be used to populate one of our internal contact lists, so that we can contact you again in the future. In accordance with GDPR, the legal basis for such data processing is "legitimate interest".
- iii. If we receive your data by any other means, such as from a colleague or from your company website, we will use it to populate our internal contact list so that we can contact you in the future. In accordance with GDPR, the legal basis for such data processing is "legitimate interest".
- iv. If we need to use your data for an unrelated purpose, you will be notified and be given the legal basis by which we have contacted you.

### 4. Data Retention

- i. If you have subscribed to our magazine, your personal data will be stored on our system 6 years, after which we will contact you about re-subscribing to the magazine to refresh your consent.
- ii. If your data is stored on one of our internal contact lists, or in one of the externally managed events systems we use, your data will be deleted after 6 years of no contact with us.
- iii. We do not hold credit/debit bank or card details. If this financial data is provided as part of a payment the information will be destroyed as soon as it is used.

### 5. Sharing Information

- i. We use Intermedia Brand Marketing Ltd. to manage our magazine subscription list. If you have opted-in to receiving a copy of our magazine, your data is stored on their databases and subsequently transferred to the printing/distribution companies responsible for delivering the magazine. This will be done in accordance with their own privacy policies.
- ii. If you have requested to receive any electronic media, your data will be transferred to MailChimp for processing, in accordance with their privacy policy.
- iii. When you register for any of our events, your data will be stored with Eventsforce Solutions Ltd., in accordance with their privacy policy.
- iv. For purposes of printing event collateral, your personal data (First Name, Last Name, Company Name) may be shared with the printing company.
- v. When submitting guest details for any events, such data may be shared with the venue for purposes including but not limited to complimentary guest rooms or table place names.
- vi. We do not permit any of our third-party service providers to use or share any of the personal information we share with them for anything other than for the purpose with which it is intended for.
- vii. We may provide general information to third parties, but this will not include any information that identifies you and will not include any sensitive personal data.
- viii. Any sensitive personal data within the meaning of the General Data Protection Regulation (GDPR) (EU) 2016/679 will only be disclosed with your express consent.
- ix. We reserve the right to access and disclose personal identifiable information to enable us to comply with any applicable laws or lawful government requests.

### 6. Security

- i. Our internal server is password protected and our network security is supported by an external IT firm, who provide the necessary software to protect and secure our server from malicious attacks.
- ii. All our external data processors are fully GDPR compliant and so the data is appropriately secured on their servers. Should there be any data breach, they will inform us immediately.
- iii. We have strict security procedures covering the storage of your information in order to prevent unauthorised access and to comply with the terms of the General Data Protection Regulation (GDPR) (EU) 2016/679. This means that sometimes we may ask you for proof of identity or for other personal information before we can process your call or enquiry further.
- iv. If a data breach is detected that affects any of your personal identifiable information, you will be contacted immediately.

### 7. Individual Rights

- i. As an individual you have the right to access and control the data we hold on you, in accordance with ICO guidelines.
- ii. At any point, you can choose to access all the information we hold on you.
- iii. You can request that your personal data is updated, corrected or deleted.
- iv. You have the right to be removed from any of our external or internal databases, if you desire. It may be necessary to retain the smallest possible amount of personal data on you to ensure you do not get contacted in future.
- v. We require some data from you in order to send you the magazine, either physically or electronically, or to process any award entries or payments. Removing or changing this data may affect our ability to provide these services to you.

### 8. Cookies and Consent

- i. A cookie is a piece of information that is stored on your computer's hard drive. It is normally sent by a web server to you and enables the server to collect information back from your site visit.
- ii. By using any of our websites, you provide your consent for us to collect information about you in accordance with EU and UK cookie law and the Privacy and Electronic Communications Regulation (PECR).

### 9. How to contact us
